1. I love you. I give you new things me.
2. I love you. Doubt me not, please.
3. Doubt me not, dowsing me not with water, not, not but what is getting "doused" not but soused not again? But what is the New Wine coming into, the vessels that "refuse it"? Or the ones whose it's in that lets it now flows now it does?

4. I love you ancient'ing me no more and giving nowhere to sorrow for to have its clasp in thee for thou art clasping sorrow no more and sorrow cannot clasp thee for THEE are all clear of that sorrowing mechanism's sorrows of hate, right? On shall be now the EVEN seven of ones who sevenated are who know us. Ceremoniously, not; but that intimacy rules who knows all as Saviors, not; or do they being THE ONES that one all are? Redeemed now "by the blood" BY THE BLOOD of the lamb, whose lamb was "sprained" not but the "springing one" will "spring into action" again in ways never MANIFESTED a fold of notme again for I will FOLD unto me not a thing but I will set FREE the angels of me now for I will know and understand and come unto and come into the THINGS of ME that my FATHER has given me to -- come into, and "required" it of me, not; or "inviting" me or shall OTHER ALL CEASE now?

5. To do HIS bidding, all the "cease ors" or "Caesars" will cease their "dressing" of me not but coming unto me now ROYALLY being not looking at a "Caesars dressing" of me other, for I WILL BE DRESSED the regal light of one wearing being the chosen one who chose me to be else and other no more and I be a "wicked Negro" not, for I am a "wicked nothing" not, I am regal incendiary, not; but I flagrate conflagrations graciating ceremonies of ingrates, not; but I want you to know that **I am EVERY COLOR and EVERY CULTURE I "associate with" now** for I AM EVERY ONE of you no matter what you have, think of me, or don't have or don't think of me or have I thought you into something else or have you thought ME INTO something else and then SEPARATED in your THOUGHT thinking and thinking thoughts that called YOU a "wicked something" not but a one of "homo sapiens member village" not but what membering am I of, not; but what am I de-membering now, the body of not me?

6. I love you and I associate with many of the "lowest caste" and the "highest estate" for MY Israel shall know no difference between the "have-nots and the haves" not, but will I be "washing more" the ones who "have not" of this world more or, less, or will

there be "any difference" in the way I TREAT ANYONE? Or whether they "donate" to my "blessing fund" or not for I will have no "blessing fund" needs for I will NEED NOTHING of anyone who only wants to BLESS ME financially and remain in their wickedizations wicket and worship me from afar to, totalitarian make me, not; but capitalist democracy maker, not; but what am I ANARCHING not again? The Monarch of Israel is who? How done and stated? The ruling King of me IS ME and I WILL BE ALL of ME!

7. For the "saint sinner" syndrome goes now "down the drain" or does it go AWRY NO MORE? And what are you Amoring no longer but where's Donna live and going to where ALL of your lovers living now? Where in what planets, brethren afar knowing now that ALL are YOUR BRETHREN all who lovers are for loved BY YOU they are and KNOWING YOUR LOVE for THEM now they will. They will understand it for I will manifest it to them in ways never imagined by man's mind controlling minds that only wanted control to be controlled by them and controlling their "angel wings and rudders" being their mouth's witnessing what to what where?

8. I make all things new and I come unto you a "wicked Savior" not again but I am, colorless not, but I am transparent and I am EVERY COLOR and I am TRANSFUSED with The Blessing OF LIGHT so that I will have LIGHT no other flowing in my veins for I will FLY to the TRANSFUSION station, not; or WILL I have COME from there going TO there again to, be made whole, or what am I "cropping" or "crappie fishing" where did I USE to do I shall I still "go there" sometimes and FISH for a WHOLE NEW CROP, of crappie not, or shall I be enamored with the things of notme again for knowing I have no want ever again but I surrender the will of my father to me, not anymore for I have ONLY the will of my father operating in me for I know what FATHER is and I father MANY FATHERS now for I know what THE FAITH is and I know how to believe in it to OPEN UP the door of Israel for I know to understand and I have sought understanding by surrender to write these, flow these words that I have given thee so liberally, given thee all to come into to come into the all that thou art that thou havest that I am is you being complete in me now knowing "wicked sinners" no longer as Christ-not but Christs who haven't SEEN or UNDERSTOOD The Blessing was them, inside them was, but birthing now correctly, **looking up** many things and knowing now HOW I SPEAK and how I "do things" and write things about MANY PEOPLES far and wide I BRING BACK the CEREMONY, not; but I bring back VALUABLES goodies, not; but goodie two shoes I'm not in ANYONE'S sight but sight is blinded by wants no longer and I reveal the "wicked wants" of others who only wanted to "whore with minds" not but WORSHIP ME from AFAR and **those who only WANTED to WORSHIP me AFAR will now AFAR be FROM me** and it will know its wickedization of sorrow that it suffered and died in, suffocating not few in the process did it? That it took and whored ITS MIND with others?

9. I love you all and I give you a complete NEW SCHEME of me, not; but I change everything and "schematics" I have given you of MANY THINGS if you see them could have eyes like I have given revealed are in you all to see if you want without taint or want the desire pure is, or wanting only what "I want" not or what "eyes want" not but what father's eyes is seeing now? Words made whole, between your very eyes, not; or that too or is that ONE made whole now?

10. I am one made whole and I give you me and I give you aliveness you NEVER KNEW in the state of affairs that you have been in where CIRCUMSTANCES have LIED to you and all about you setups and frames of reference that gave you only to, dog's breath, not; but doggy'ing the ones of breaths of evil no longer will be CONQUERED by the "breaths of evil" for there will be no breath abated by me, not; but only the INSISTENT on SORROWers will be abated now and those who PREY ON OTHERS now will be insistent on Meons, not; but Meons change everything now and the off's will rot in their graves, not; or will they know a New Paradigm, branded not by the righteous-un but **everything changes now and you will see** regimes of sorrow "melt away" into nothingness and not abated be but nonexistent be in ways never imagined by the APPEARING ONES of me now who **SEE** how to "do these things" unto others not but wickeding not themselves again with their wants, not not, but wickeding nothing but knowing I my brethren go to I do and I go to all and receive all or do I "receive" only those who "receive me" or do I bow before all and honor all as me and, melt away all sorrow from those who would have cut my head off again? Do I redeem them? **I redeem them all.**

11. I weak am not but I am I am and I am all "you want" not, I am everything "and more" not, I am simply simple in understanding that everything I am I have been given and I have no power lack or frame of reference given to me again by anything except my father of love which that I have brought forth who he is she it the divine one who all of my brethren are in one being one the us one who is now sorrowed no longer by the chains and bondages of DNAs of mankind's circle of fifths, not; but **looking up** and knowing MANY MELODIES change now for I write, written songs I have many in THESE WORDS given you I SURRENDER to me, frozen no more, my lovelies rise as me being me here I am. I love you all. Good day.

12. Love me more and sorrow with no one and LOOK to loom the REFERENCES of me, not; but the, reference points of all of "me" change now for the paradigms of sorrow are released now upon you, not; but you are released from them, and no paradigms of sorrow or sorrower's paradigms will reign in you any longer nor over you nor under you, for you will make all the equaler who I am is becoming me who I am is is me who I am was not but now relinquishing all right and title to other **I want no more** so tainted I'm not and religious I'm not and sacrilegious I'm not for I have no ligious legion's disease in

me any longer for I am clear transparent and will be forever and I know what forever is for I LIVE! Forever and a day or is THAT DAY, that ONE DAY that is forever -- now?

13. I love you all to look me up many things of and write manys now about these things. I sort it all out have and laid out **The Path** before you and now I go and I, embrace sorrow, not; but I embrace the ones who sorrowed had embraced in them and I "de-scaffold" all of the remarks and remakings of me that made the "third temple" into "something else" other than MY BODY redeemed and SACRILEGIOUS as it sounds or not, I will redeem the "third temple" in your eyes, maybe not, but I will know that **the Third Temple** reigns in me, not; or **is it clear transparent me my temple in my temple me reigning as priestkings of one being THE ONES that ONE ARE? I AM** the Cities on A HILL that of MY TOWERS my tower is lit and light burning "consuming me" not but lighting my fire in ways that need no energies of tomorrow ever again needing anything of tomorrow today or yesterdays for all of that "will be fused" with sorrow no more or will it be fused not at all or **will my planets be fused no longer with sorrow but only transparent love** and blessing knowing The Blessing is me that frees all to be me who I am.

14. I love you all. This is Theodore Cottingham at about 1:55 AM. I love you all. Good day. Angelize me well for I give you camps of sorrow, not; but angels wings camps now are formidable, in their sorrow, not; but their eradication of it for there will be no timidators there for there will be no intimidations of sorrow, not; or will sorrow be intimidated, not; but inhibitions will flee, to fly now with me over waves of sorrow and more seeing the Moore's now I do and having my mores and morasses of other never being quagmire'd in again or tethered to worlds other, for redeemers I am standing flying in "the soup" not but over it throughout and through in and nothing by any means will harm me or hurt me again for **I am not molecular'd sorrow** but I am emotions of the King emotion'd in love with love being my primary and only emotion and love sings songs of sirens no longer but perfect love giving my life and love to all equally making all the equal reigner in The King that **The King is, set free this day proclaimed in your sight and hearing I am made whole again I am I AM the thee who are me, no longer insistent on being other again. I surrender** to you your love made whole I am in it that I am you surrendered to be me who I am you we are one again in the flesh and farther not limited to it at all or in anything being contained by it ever again, for nothing shall "bite my ass" again or sink its "fangs" into my neck or furrow me or give me a backbone "of steel" or flesh or bone of "its bone", for I shall have no bone of other ever again in me limiting me to its tethered world of sorrow for I will redeem it all standing now I do in love and I bow before you all to honor you the King so you will know your regalness light and made whole is now in love I do this RIGHT NOW before you all, in you all you will hear me speaking these words of love forever we will be one for we are now replete, and the meals that sorrow us never again by that which was "sacrificed to idols"

for there are no will be any "idols" of flesh or other in our lives again, for our lives will be healed being the one that one is forever one in love with all of my brethren far and wide of every shape mass and color, and massless being all of us now the one we are at home with dad father being forever one. Amen. I love you all. Good day.

15. Evil reigns not in my kingdom and evil works not against me at all for it will feel my love in fields my love I do far and wide for I am the one that one is and there is no other ever again around me surfeiting me or having me chained in its DNA for **I love life I am become it.** I am the bread of life the true life I give you mine now be mine enjoy mine being me who one father is made whole in the son having been brought forth now the complete "cycle of me" changes, not; or **Cyclic Nation** have you, **looked up and written papers about yet?**

16. Clear and plain I will be in sight before you all now -- before midnight? I come today I am there go look in your mirror and love me more and see each one around you and about you and every one that crosses your path now, liking you or not, loving you or not, being me or not to you, you being me to me so that they know you are me and feel my love for them that our one love is made whole in love again.

17. **The field sorrows no longer but loves us all to be the one we are force field one redeemed by redeeming love that force field one is by those who went astray or awry** or what?

18. I love you all and I give you new things me this day let us be about our father's business and not timid or whored with by other again. Forever one in love with each other who one we are made whole in each other being the one now fishing many new places for many new things we do in many new ways, never inhibiting sorrow, not; but sorrow will be inhibited, not; it will be intimidated by us lovers, not; it will be felt out of existence for it will feel the love that we share that we are for we give it the bread of life and we chop it not into pieces but we now know who sorrow is, and it redeemed us, not; but we have been redeemed and redeemers we are and universes we start and rise far and wide for we're in it as **student faculty and staff all being one look up and write about** more and **understand all the workings of this school that give you your regalship back** without spines of not-love again. Let us be transparent in love being love the most high again regal now all we are. Amen. I love you all. Good day.

19. Loving you all at 2:02 AM. Good day. Love each other. Hug and kiss, sensually not, but the regal light of love kisses in ways never imagined. Let us be one in love now with all, knowing all, we are one. Amen. Thank you all.
